

BIO

Jenene Caramielo honed her craft with a wide variety of experiences and education. From her early work in regional theater musicals such as *The Music Man* and *Fiddler on the Roof*, to opera workshops including *Aida*, to lead vocalist in pop music-packed productions, Jenene's lifelong training and work in voice, dance, piano, and acting & improvisation has delighted audiences across the United States and in numerous countries.

After having studied classical voice at the Civic Light Opera in Pittsburgh, as well as Carnegie Mellon University, Jenene graduated with a Bachelor of Fine Arts in Musical Theater from Shenandoah Conservatory. A true crossover entertainer, she is as adept at belting a Celine Dion or Whitney Houston pop song as she is performing an aria, or captivating audiences with Broadway show tunes.

Jenene has shared a stage with supergroup Chicago, opened for the world-famous Beach Boys, kicked off Major League Baseball games with our national anthem, sung for celebrities and world leaders, and performed at some of the most exclusive private clubs in the United States. Her greatest honor to date was performing at the Governor's Ball at The White House backed by the United States Marine Band, Navy Sea Chanters, and Air Force Singing Sergeants.

Jenene's signature shows include **"Celebrating Celine"**, the ultimate tribute to Celine Dion; **"Icons & Divas"**, a tribute to the biggest voices of our generation; and **"Broadway to Big Screen"** featuring hits from famous theatrical shows and iconic movies. Custom performances featuring opera are also available.
